November Mission Highlights

Tammy Sharp serves missionary kids and their families through Barnabas International, a missions organization that exists to edify, encourage, enrich and strengthen servants in ministry. Growing up in Brazil as the daughter of Larry & Vicki Sharp gave her insight to the benefits and challenges of a cross-cultural upbringing. Tammy loves to build relationships with MKs through life as they process their identity, transitions, losses, benefits and relationship with Christ. She loves to network and connect MKs to using their language and skills to advance the great commission.

Larry & Vicki Sharp: Larry is almost finished with a book on the "Greatest Missionary Generation", which is 35 stories of post-WWII missionaries. Secondly, he travels about one week per month speaking in conferences, colleges and churches on how God is using Business as Mission to make disciples. **Vicki** finished an ESL course and is looking for opportunities to teach students at local universities and use the opportunity to share Christ.

Michael and Nina Schaafsma are happily serving our amazing Savior through church planting to the hundreds of thousands who live south of Milan, Italy (Northern Italy). Their desire is to see people come to know and experience salvation in Jesus Christ, to bring these believers into fellowship with a local church, and to see these believers share the Gospel with others. Please pray for the Schaafsmas and believers as they plant new churches
