**May Mission's Highlight:**

The ministry of Missionary Aviation Repair Center (MARC) is to expand the Gospel in Alaska by providing air transportation and logistical support for ministries working in remote communities. Many missionaries and pastors in rural Alaska have their own airplanes. MARC also provides maintenance services to keep these essential aircraft operating safely. Because the opportunities for these services continue to expand, more missionary staff is needed. SBC supports MARC and individual missionaries Peter and Sara Bastke. Other MARC missionaries attending SBC are Kyle and Ellen Braband.

## *Welcome!*

*We extend a personal greeting to you  
as you worship with us today.*

*If this is your first time to visit us,  
we have a special gift bag for you  
at the Information Center in the lobby.*

*We want you to know that there is a place here  
for you in worship and Bible study as well as  
many opportunities for ministry and service.*

*If you are looking for a place to worship, and  
to find fellowship and encouragement,  
we would count it a privilege to be that place.*

*May God minister His grace to you,  
Pastor John*
