If this is your first time to visit us,

May Mission's Highlights

The ministry of Missionary Aviation
Repair Center (MARC) is to expand
the Gospel in Alaska by providing air
transportation and logistical support for
ministries working in remote
communities. Many missionaries and
pastors in rural Alaska have their own
airplanes. MARC also provides
maintenance services to keep these
essential aircraft operating safely.
Because the opportunities for these
services continue to expand, more
missionary staff is needed. SBC
supports **MARC** and individual
missionaries **Cozene Wikstrom** and
Peter and Sara Bastke. Other MARC
missionaries attending SBC are Kyle
and Ellen Braband.
