June Missionary Highlights

The Master's Academy International (TMAI)

Training church leaders worldwide, TMAI is a consortium of Bible training centers committed to train indigenous men to effectively proclaim the Word of God and ground believers in the truth. We are currently supporting the following seminaries and pastors:
The Pastoral Training Institute Goa, India
The Samara Center for Biblical Training Russia
The Expositor's Academy Philippines - Erwin Quimboy, pastor

Todd and Penny Beaudin are full time missionaries with Cadence International serving as Military Hospitality House directors in Oahu, Hawaii. Their mission is to love service members and share the gospel with them. They teach and disciple service members to live out their faith at work and to live the gospel amongst their peers. Todd and Penny provide a "home away from home" outside the military base for active soldiers and their families which also provides a place that they can bring other service members to be loved and hear the gospel.

**The June Sunday School offering
is going toward Todd & Penny
Beaudin's new dishwasher and
other maintenance needs.**

Welcome!

We extend a personal greeting to you
as you worship with us today.

If this is your first time to visit us,
we have a special gift bag for you
at the Information Center in the lobby.

We want you to know that there is a place here
for you in worship and Bible study as well as
many opportunities for ministry and service.

If you are looking for a place to worship, and
to find fellowship and encouragement,
we would count it a privilege to be that place.

May God minister His grace to you,
Pastor John
