July Mission Spotlights

Ryan & Rebecca Stowell serve with CORD Ministries in Thailand. Ryan & Rebecca work with an Akha community. Together with the Family Connection Foundation, the Stowells have started Seed of Hope, a Christian-based dorm for Akha children. Because many Akha people are not Thai citizens they live in poverty & have difficulty accessing education. These children are at higher risk of being sold into child labor, slavery, or prostitution. The goal of Seed of Hope is to lead students to a relationship with God through Jesus Christ & to give children from remote villages access to public & college education & development of sustainable practices through planting crops, raising animals, & creating viable business opportunities - www.seedofhope.org.

Ron & Kim Linegar, as farmers & ranchers, reach out to Indonesia. The Christian church in Indonesia is very persecuted. However, God has provided people who are seeking Biblical truth where the Linegars minister. Many of these people were raised in 'church' yet do not know what a personal relationship with Christ means. The global church & mission organizations have ignored this area focusing on direct Islamic outreach. Having 4.5 million people open to Biblical truth is a huge opportunity that the Lord has provided. The Linegars provide pastoral education, Bible studies, VBS, English classes, & outreach to locals. They also train lay leaders, disciple nursing students, & raise teams to evangelize.

Welcome!

*We extend a personal greeting to you
as you worship with us today.*

*If this is your first time to visit us,
we have a special gift bag for you
at the Information Center in the lobby.*

*We want you to know that there is a place here
for you in worship and Bible study as well as
many opportunities for ministry and service.*

*If you are looking for a place to worship, and
to find fellowship and encouragement,
we would count it a privilege to be that place.*

*May God minister His grace to you,
Pastor John*
