August Missionary Highlights

Dr. Don Nagle is the director of Northern Light Ministries in Baja California Mexico. NLM aids in church planting and has twelve active churches in which their seminary graduates intern and are placed for ministry. Oaxaca and Baja Sur are other states in which they have churches and seminary extensions. The seminary in Papalote prepares men & women to "go into all the world" and has graduated several students.

Love INC is a local ministry that coordinates cooperative effort between churches and community agencies to provide help for the disadvantaged. It's also a vehicle that helps churches fulfill their Biblical mandate to reach out to the poor and needy.
